

EID - COMPLIANCE WITH THE HEALTH INSURANCE PORTABILITY AND ACCOUNTABILITY ACT

The Board of Education directs the Superintendent or designee to take steps to ensure compliance with the Health Insurance Portability and Accountability Act of 1996 (HIPAA). The Superintendent or designee shall designate a privacy official to monitor the compliance activities including periodic audits of district records and review of the regulations and revisions to determine the applicability of HIPAA to district operations. The privacy official will then determine when adoption or revisions of administrative policies and procedures and implementation is appropriate. This includes record keeping procedures, preparation of necessary documents, employee training, and all other activities necessary to ensure compliance.
