

JLCB-R - IMMUNIZATION OF STUDENTS

1. No student may attend school in the district unless the student has presented to the school an up-to-date certificate of immunization or a completed exemption form. A student shall be exempted only upon submission of:
 - a. Certification from a licensed physician that the physical condition of the child is such that immunization would endanger the child's life or health; or
 - b. Statement signed by one parent/guardian or the emancipated child that he or she adheres to a religious belief whose teachings are opposed to immunizations; or
 - c. Statement signed by one parent/guardian or the emancipated child that he or she holds a personal belief that is opposed to immunizations.

In the event of an outbreak of disease against which immunization is required, no exemption will be recognized, and those students will be excluded from school.

2. All students entering preschool and kindergarten are required to receive three doses of hepatitis B vaccine, in addition to the other required immunizations, prior to admission.
3. All students entering the seventh grade must have an updated immunization record showing a second measles, mumps, and rubella immunization and three doses of hepatitis B vaccine.
- 4.
